I would like to thank the many volunteers who assisted Mr Allan here today with the students Hearing Assessments. For students to learn it is vital that they can hear properly and this was a valuable assessment for our students. Thank you to Mr Matt Henry for organising this.

This term we are focusing on the You Can Do It – Getting Along key. All teachers are spending a lot of time talking to the students about what this would look like, sound like and how you would feel if everyone is using this key. Parents are encouraged to talk to their children about this as well as this will reinforce what they are learning at school. Unfortunately we have to have a Reflection room for students who continually refuse to follow the school rules. As part of our school welfare program students may spend time in the Reflection Room with a member of school executive at afternoon tea time, if they receive a red slip. This time is for students to reflect on their actions and to come up with positive strategies and solutions to assist with their future choices. If a student spends time in this Reflection Room a staff member, either the class teacher or a member of the executive team will contact you so we can ensure parents are staying informed about the wellbeing of their child. The Reflection Room is a strategy we are utilising as part of our Student Welfare and Discipline Policies. If your child receives a red slip and spends time in reflection I would encourage parents to discuss this behaviour with them to try and prevent it reoccurring.

In our small car park we have allocated a disabled car parking space. This is only to be used for the pickup and drop off of children/parents with a disability. Please do not park in this space no matter how quick you plan to be. This is for the safety of our children.

Tomorrow night we will be hosting a disco here in the school hall. The theme is “Football”. The disco will commence at 5:30 and run through to 7pm. The cost is $3.00 and the children will receive a light snack part way through the night. Students are not to be here before 5:30 unsupervised and must be collected promptly at 7pm.

Don’t forget that the Athletics Carnival is next week on Friday 13 June here at Drummond on the top oval. The P & C will be opening the canteen on the day and have food available for parents and students to purchase.

On Sunday 22 June AustCycle/Cycling Australia will be holding a bike Safety program here at Drummond school under the Cola. They will deliver a fun, exciting 4 hour program that teaches Aboriginal children the importance of bike safety through a range of practical skills and activities that cover; Safe places to ride in local communities, Develop and teach basic bike maintenance, Develop important practical bike skills to make riding safer, Improve knowledge of road rules and bike safety around roads and Understand the importance of wearing a helmet.

- Program participants who will also receive a FREE bike service as part of the program
- Program Participants will receive a FREE helmet as part of the program
- Learn the importance of Bike, Clothing and Helmet safety checks when riding
- Practically developing, reinforce skills used in cycling and apply these skills in relation to road rules.
- Be introduced to basic bike maintenance in keeping a bike road worthy

AustCycle Staff will be onsite, delivering the program and a Bike Mechanic will be here to service bikes and improve their road worthiness. Please come along with your children and their bikes on Sunday 22 June.
