Welcome back everyone to Term Four. We have certainly had some beautiful days since we have been back. I would like to remind everyone of our “No hat, play in the shade” policy. Please send your child to school with their hat every day.

Our Stage Three Indigenous girls are currently participating in a program that has been developed at Drummond Memorial Public called Lil’ Sista Speak. The program is a workshop program that is designed to inspire and motivate young women/ girls about the importance of education and to raise awareness about the diverse career paths available to them, with a specific focus on issues of self-esteem, careers, culture, leadership and economic independence.

Welcome to Term 4. This term our Key to Success and happiness is Persistence. This key is the purple key and focuses on sticking with a task and knowing that you are more likely to succeed than you are to fail when you make the effort.

“Lost Property”

There is school clothing with names near the office area. If you are missing any clothing please come and have a look.

All other clothing will be given to the clothing pool or second hand clothing shop if not claimed.
