You Can Do It Rewards
The You Can Do It Rewards Day on Friday was a huge success. The students in K-2 had so much fun being a part of the water play activities and the primary students had the options of technology, art or a movie. I had the pleasure of having morning tea with the students that have achieved platinum level or beyond. We enjoyed some delicious fish and chips in my office. Thank you to all of the staff in their coordination and involvement of the YCDI activities and also thank you to the parents who encourage their children to do the right thing at school every day.

Gathering
Gathering this week will be the Year Three class and K/1. Please come along and be a part of our Friday Gathering time starting at 9.20am. Last week we had so many parents and friends that we needed to get some extra seats for our guests. It is so fantastic to see you all supporting your children’s education. We do ask that mobile phones be turned to silent during the assembly so our children get to perform and be congratulated in front of an attentive audience.

Gonski Green
A big thank you to all of the students who participated in the Green for Gonski day last Thursday. Some of the children went to great efforts. Miss Jones and her class won the prize for being the “most green” on the day.
Thank you to Mrs Helen Evans who once again entertained K-1 with a wonderful story telling session “The Three Pumpkins. We are very lucky to have Helen as a member of the school community.

Water play last Friday
