We are on the countdown to the Easter break! School finishes on Thursday April 2 and students return on Tuesday 21 April.

**Bus Travel**
I was disappointed this week to receive a phone call from Edwards coaches who currently provide our students with travel to and from home on a daily basis, reporting incidents of rudeness and misbehaviour on the bus. Can I ask that you speak with your children about the importance of following the bus rules? The bus driver has a responsibility to get our children home safely, however when children do the wrong thing on the bus it can be distracting for the driver. This puts student safety in jeopardy.

**P&C Fundraiser**
Don't forget! Slices, cakes and bolognaise sauce can be sent into school on Friday morning. If you can spare a couple of hours of your time to help out on the day, that would be fabulous. Please see the office.

**P&C meeting**
This will be held tonight in the staff room. Please come along to hear about and provide some feedback on the revised welfare and discipline policy. We meet at 6pm. I look forward to seeing some new parents.

**Updated information note**
This is due in this week - It is really important we have your details to ensure that we can contact you in case of emergency. Remember - the raffle will be drawn this week!

**Principal's award**
Congratulations to Rahaf Shawdari and Nickali Kim-Green who were this week's recipients of the award. Both these students use their getting along key in the playground, are helpful and have wonderful smiles!

**Transition**
Once again we will be running our very successful transition program. The aim of transition is to prepare students for school. Students who will be enrolling at Drummond in Kindergarten in 2016 are invited to attend. The program will run initially for one day per week beginning on Monday 27 April. Places are limited so please see the office if you would like to enrol your child.

Can I ask that parents do not approach other students directly in the playground? If there is a problem please see a teacher or myself and let us deal with any concerns you may have.

**Congratulations** to Cooper Hislop who displayed awesome talent at the recent PSSA hockey trials. Cooper, who is a goalie was selected to go to the next level of trials - Good luck Cooper!

Mrs Louise Moffatt
Relieving Principal
