I am very impressed with the way the students of 2016 have quickly settled into the routine of school and each morning showing the teachers they are ready to learn. All of the classes have been very busy and successful. This week I would like to introduce you to the MC class with Mrs Simone Lord, the teacher and the School Learning and Support Officer - Donna Frizell.

Our students have made a great start across all classes and the Kindergarten students having had extended practice in the Transition program have settled in very well. We are all looking forward to a very positive year ahead.

I would like to wish our swimmers: Sophie Young, Jacinta Morgan, Tahmani Landsborough, Thomas Froome, Mobin Shafeian and Freddy Riley all the very best for Thursday where they will be representing Drummond School at the District Swimming Carnival.

Crunch and Sip is a set break each day to eat fruit or salad vegetables during the Crunch and Sip break each day.
